Casket Selections

**Selecting a casket can be  
very confusing.**

**The following information  
may help you better  
understand casket  
differences.**

**You will see several caskets ranging  
in price from \$1,025 to \$19,900.00**

**This may seem like lot of caskets  
and a wide price range.**

**However, we want to offer a  
selection for every member of our  
community.**

**There are several basic types of  
caskets:**

**Bronze & Copper**

**Steel**

**Hardwood**

**Stainless Steel**

# PRODUCT GUIDE

## Bronze & Copper

- Finest Construction & Materials
- Naturally Non-Rusting Materials
- Most Durable Material, However, Bronze is Stronger than Copper
- Many Statues & Monuments are Constructed of Either Bronze or Copper
- Airtight & Watertight Protection

## Gasketed Steel

- Different Types of Steel
  - Thickest – 16 Gauge
  - Mid Grade – 18 Gauge
  - Thinnest – 20 Gauge
- Many Styles and Colors
- Offer Airtight & Watertight Protection

## Hardwood

- Hand Crafted Like Fine Furniture
- Natural Warmth & Beauty
- Distinct Grain Pattern
- Available In A Variety of Types & Species

## Non-Gasketed Steel

- Only Available in 20 Gauge
- No Protection Capability
- Generally Less Expensive

## Stainless Steel

- Rust & Corrosion Resistant
- Middle Price Range
- Many Household Items are Made of Fine Stainless Steel
