**The Barn at Brynich
Wedding Venue**

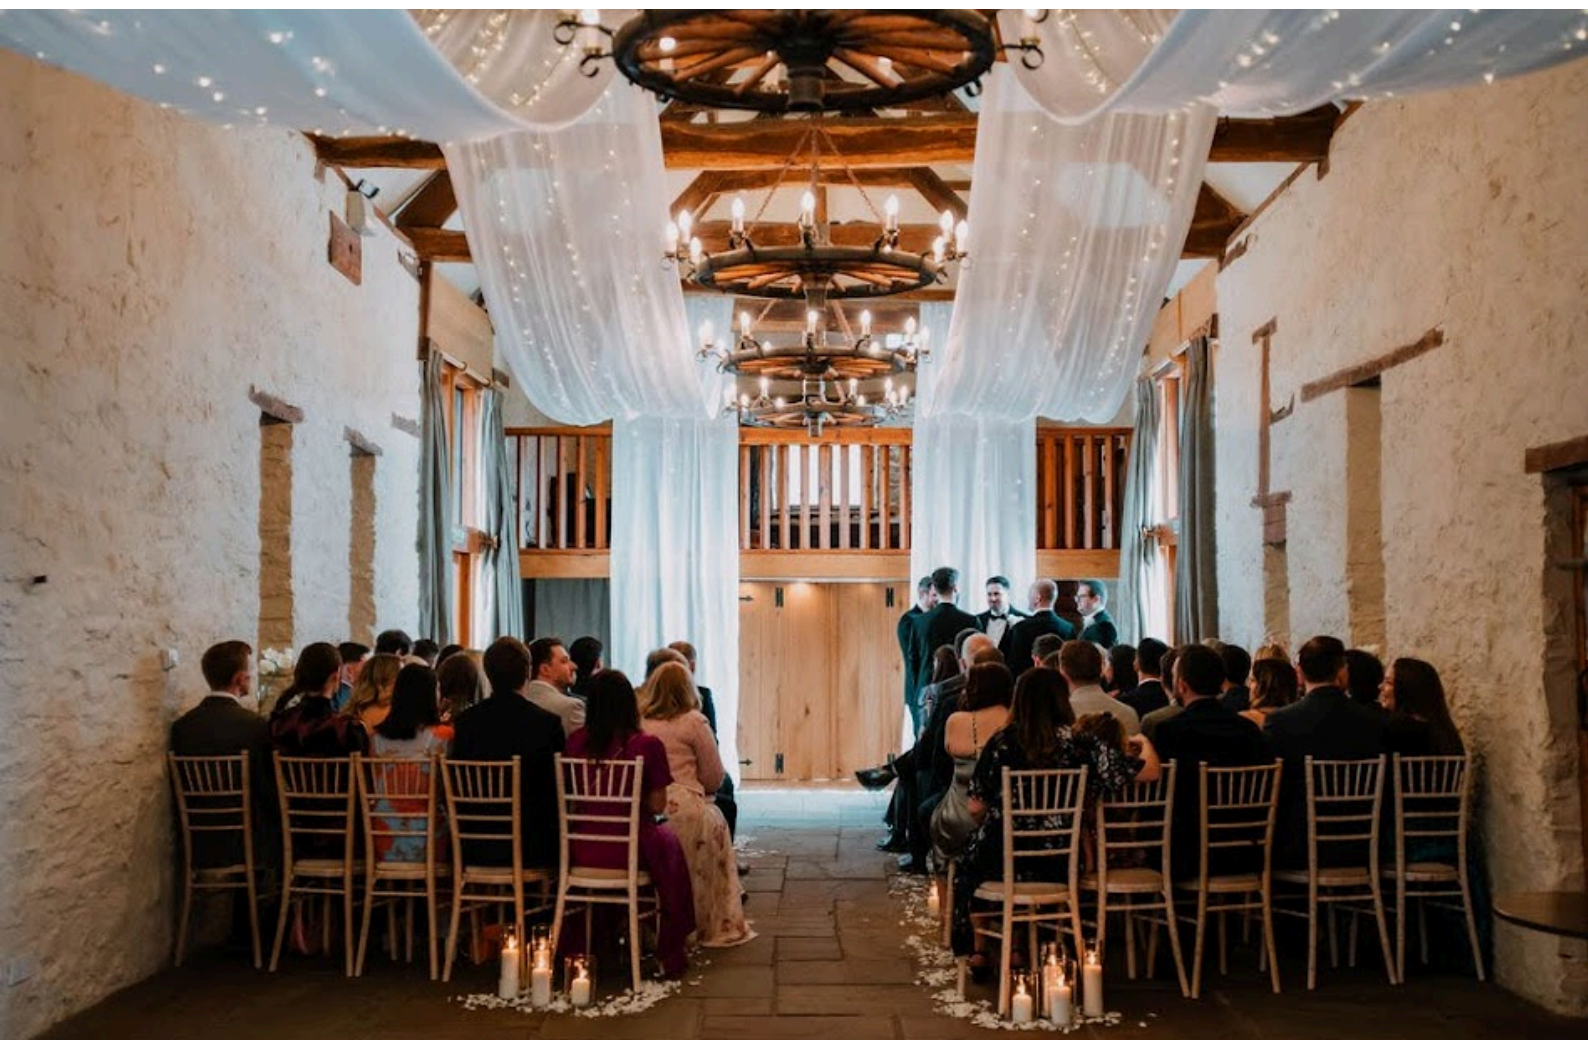

The Barn at Brynich - Brecon

The Barn at Brynich is a beautifully converted 18th century hay barn set in a stunning rural location in the heart of the Bannau Brycheiniog National Park.

As a small family run business, we pride ourselves on the personal service we offer. Planning your day will be a relaxed, enjoyable experience as we work with you to create a truly bespoke wedding.

Enjoy the Barn, Cottages and grounds throughout your wedding weekend, with exclusive use of the venue on the day of your wedding.

The Ceremony

The Barn is licensed for civil marriage and civil partnership ceremonies, and we can welcome up to 120 guests to join you to say "I do."

Your ceremony can be held by Powys registrar's, or if you would like something more informal an independent celebrant or friend can perform your blessing.

There is ample space for live musician's, or our PA system can be used if you would rather create your own playlist.

We are also able to hold outdoor ceremonies at Brynich. We have a beautiful oak framed pergola in the garden which gives you stunning views across the gardens and towards the Brecon Beacons.

With a limited number of weddings each year, enjoy the luxury of an exclusive, tailored wedding weekend.

When the sun is shining, our beautiful lawns with views of the Brecon Beacons provide the perfect backdrop for your drinks reception. Relax and enjoy a drink or two with your guests. Our Front Courtyard with undercover area provides a flexible space to host your drinks reception whatever the weather.

We are also able to host drinks receptions in our new venue room the Grain Shed* which provides a warm, dry space all year around.

We can offer you a tailor made drinks package to suit you and your guests. Tell us what you'd like and we'll do our very best to provide it.

Why not hire our games package* for added entertainment.

*for an additional fee.

“Everything we could have hoped for and more.”

What a venue; with the most incredible people! Every single person we encountered from first viewing to leaving the venue after the wedding were amazing. We always knew we wanted a barn wedding and **the Barn at Brynich is beautifully authentic.**

Having the cottages available from Friday - Monday meant we could continue celebrations the next day with our closest family. The cottages are stunning, spacious and clean! The build up to the wedding, the day before and the day was perfect. Everything we could have hoped for and more.

We want to do the whole weekend again and wouldn't change a single thing.

We cannot wait to come back to the barn for an evening when they have events on. Anyone thinking of getting married at the Barn at Brynich, do it!!

Thank you will never be enough for making our day so perfect.
