You must choose catering for your event off this list.

The suppliers in the list below can quote you on a variety of different styles and budgets and we are sure you will find something to suit you. When getting quotes you should make sure that the caterers are also providing staff, cutlery and crockery for your day. Caterers offer different packages. If they are not staying to clear up after serving food, you will incur an additional charge for clearing and disposal of rubbish from Brynich.

Crockery

Depending on your theme you may wish to hire alternative crockery or cutlery. It's also worth noting that some of the street style food options above only provide disposable crockery or cutlery, which you may not wish to use.

Please note when hiring in crockery or cutlery if your caterers are not laying, clearing and cleaning these items, there will be a charge for Brynich staff to do this.
