

Wedding Extras

FIREPITS

1 x 70cm fire pit (Inc. a wheelbarrow of logs) @ £70

2 x 70 cm fire pits (Inc. 2 wheelbarrows of logs) @ £120

3 x 70 cm fire pits (Inc. 3 wheelbarrows of logs) @ £150

Each additional wheelbarrow of logs @ £25
(Each wheelbarrow has enough logs for 2 hours)

Fire pits are a wonderful addition to the evening hours,
either to create warmth or atmosphere.

Whether you have one or all three, they are often a focal point for guests to gather around. Having two fire pits in the front courtyard during the evening for your guests to enjoy and one near the Woolpack offers flexibility to carry the celebrations after the Bar has closed around an open fire.

They can only be used on our gravel areas; they cannot go on grass or flagstones. They are not BBQs so please bring BBQs yourselves. If you hire the fire pit(s) for the wedding you are more than welcome to carry on using them the day after, either you can supply more wood yourselves or buy some more wheelbarrows of wood from us.

During extreme heat we may have to ban the use of fire pits.

HAYBALES @ £10 each

(You may want some blankets to cover bales, please provide these yourselves)
