

# *Kids Kondo Handbook*

Kids Kondo, a private infant and preschool development center, was established in 1980 to provide a loving, caring home-like childcare center for the Clark's young children. That tradition continues today. We look forward to enriching your child's life and providing a caring, nurturing and compassionate home away from home for your child to grow and learn.

## **PHILOSOPHY**

Our philosophy is based on the belief that each child will develop to his/her full potential when provided with a loving and supportive atmosphere, in addition to a challenging curriculum that promotes a positive self-image and the desire to learn. Our teachers are experienced in early childhood education and work as a team to meet the individual needs of each child.

## **GOALS**

Kids Kondo strives to help each child to

- o Develop a positive self-image and acknowledge his or her self-worth through love and acceptance.
- o Develop a desire to learn through creative experiences and age-appropriate experiences.
- o Develop basic social skills by encouraging constant social interactions.
- o Increase their independence and trust in adults and others.
- o Respect the rights of others and develop self-discipline and problem-solving skills.
- o Provide a safe, healthy, and stimulating environment, conducive to each child's learning and developmental potential.

## **ENROLLMENT**

Enrollment is open to infants through pre-school aged children without discrimination on the basis of race, color, gender, national origin, religion, political affiliation or physical disabilities, in so far as we are able to provide quality services for the child and space is available. Part-time care is available starting when your child enters the three yr. old classroom.

## **HOURS OF OPERATION**

Kids Kondo hours of operations are Monday through Friday from 7:30 am – 5:30 pm

1253 North Highland Ave • Atlanta, GA 30306 • 404.897.1936 • fax 404.897.1008

closing half day, 2 days before Christmas Eve at 12:30

Closed -day before Christmas Eve

Reopen- day after New year's Day.

Floater Day (at center's discretion)

### **FORMS**

The following forms must be completed and on file.

Enrollment Application and signed Financial Agreement

Child Enrollment and Medical Care Form

Certificate of Immunization Form 3231

Parental Agreement

### **TUITION AND FEES**

The tuition and fees schedule provides tuition rates and fees. It is available under forms on our web site. Tuition is based on the program your child is enrolled in; either infant, toddler or multiage (preschool). Age will not be the only factor considered when placing a child in a classroom. Classroom movement will also be determined by space availability and the child's readiness. If a child moves to another classroom during a billing cycle, the tuition rate will remain the same until the following billing cycle. The tuition fee includes breakfast, lunch, afternoon snack, and learning programs. Tuition is payable bi-weekly and is due before childcare is provided. All invoices can be retrieved through Brightwheel. Full tuition is due in case of illness, absence, vacation, or school closings.

The Material Fee includes supplies, art materials, enrichments programs and special events not included in tuition. It is due upon enrollment and thereafter the first of each quarter.

We process tuition and fee payments electronically. Automatic electronic payments will be withdrawn from your checking or savings account. Tuition will be withdrawn from your account on Monday and available for viewing the Friday before.

Wednesday bi-weekly depending on holidays. Fees are withdrawn as they occur.

### **CANCELLATION OR WITHDRAWAL**

Four weeks written notice is required to withdraw your child or cancel a reserved position. If notice is not given, then you will be charged tuition for each week up to four weeks, and not less than one week. This applies even if your child is not attending. If you decide not to bring your child to Kids Kondo after you have a reserved position, you must still provide 4 weeks' notice of cancellation or pay equivalent tuition up to 4 weeks. If you withdraw your child for more than one month, two weeks tuition is required to hold your spot.

### **DELINQUENT ACCOUNTS**

Your tuition payment is considered late on the Tuesday of the childcare week. If tuition is not paid for a period of two weeks, then we reserve the right to not allow you to drop off your child and cancel your childcare service until full payment has been made. A weekly late payment fee will apply until tuition is paid in full. If you are unable to pay your account when due, please make someone in charge aware. We will try to work with you as we have all experienced financial difficulties at one time or another.

### **LATE PICK-UP**

Children become upset when parents are late picking them up. If your child is not picked up by 5:30 pm then you will be considered late. If a parent cannot be reached, we will call your emergency contact(s) to pick-up your child beginning at 5:45 pm. There is a dollar per minute after 5:35 which will be charged to your Brighwheel account.

### **CONTACT INFORMATION**

It is critical that you update your child's files as soon as any contact information changes. Please inform office staff of any changes. Every child is required to have two emergency contacts other than parent(s) / guardian(s) that can reach the center within 30 minutes who are willing to pick up your child if the occasion arises.

### **DROP-OFF AND PICK-UP**

For safety's sake, children must never be left without direct transfer to an adult. Therefore, children should be taken directly to their classroom when dropped off. Children will be released to the parent(s) / guardian(s) and to the designated persons on the child release form. We will request proper identification from that person for your child's safety and protection. Once an authorized person picks up the child, the supervision and safety of the child becomes their responsibility. Please do not allow

children to play in other rooms or in the driveway as this is disruptive to others and poses a safety hazard as well.

Should we suspect that the person picking up your child might be under the influence of drugs or alcohol, we reserve the right to call someone else from your list to pick up your child.

Separation is easier if you do not linger after your child is reasonably settled. Lingering sometimes prolongs your child's adjustment period and also upsets other children whose parents have already left. If you are concerned you may watch from another room, or feel free to Call, email or Brighwheel the school later to find out how he or she is doing.

Please prevent your child from bringing toys, money, or other items from home unless it is "show and share" day. Toys sometimes get lost or broken, and we do not want your child to be disappointed. We cannot assume responsibility for replacing broken items. In particular, please do not allow your child to bring toy weapons of any kind to school.

### **DRIVEWAY ETIQUETTE**

We want all of our parents to be aware of our "rules" concerning the driveway. As you may have noticed there is only enough room for six cars at a time in the driveway, and the middle car in either lane is "stuck" until the car in front or behind them moves. We ask that parents who have things to discuss with the teachers or those who are planning on staying a while to park on the street. We would like to keep the driveway as clear as possible and have it as a "thru only lane" rather than a place to park when you are planning on staying for any length of time.

### **INFANT INFORMATION – WHAT TO BRING**

You will need to bring a clean pack and play size sheet for each day; 3 to 4 prepared bottles of formula or breast milk labeled with the child's first and last name; jar food or cereal also labeled; Velcro bibs; extra clothes; diapers; and immunization certificate – **form 3231**. The Infant Feeding Plan should be completed and updated by parent. If you like, you may provide a sleep sack for your baby. Once a month, please bring a box of tissues and some baby wipes.

### **TODDLER & PRESCHOOL INFORMATION – WHAT TO BRING**

You will need to bring a clean crib size sheet for each day; an extra change of clothes; pull-ups with breakaway sides or underwear; and immunization certificate – **form 3231**. Once a month, please bring a box of tissues and some baby wipes.

### **SEVERE WEATHER, FIRE OR EMERGENCY SITUATIONS**

If an emergency situation develops such as severe weather, loss of utilities such as water or electricity, fire, flood, physical damage to the building, or any other situation that poses a safety issue or threat we will close the center. If the center is closed due to one of these emergency situations the parents will be notified by email, phone or Brighwheel site to make arrangements for pickup.

If there is inclement weather and it is determined the center will not open, Kids Kondo follows the same school closings as the City of Atlanta Schools. Kids Kondo will be listed under school closings on [www.11Alive.com](http://www.11Alive.com) or local channel 11. Check our outgoing message on the main phone 404-897-1936 or visit our web site [www.kidskondo.com](http://www.kidskondo.com).

## **SAFETY AND HEALTH POLICIES**

All staff members are informed of safety rules, special hazards, and commonly occurring accidents. They received detailed instructions on evacuation procedures for fire and storm, use of fire extinguishers and how to report an accident. All staff members are trained in CPR and pediatric first aid. The children are under adult supervision at all times. Written procedures for fire and storm evacuation are posted in each classroom and are practiced monthly with the children.

## **HEALTH AND ILLNESS**

Any child who shows signs of illness, such as fever, rash, cough, diarrhea, etc. cannot be accepted into the classroom. The teachers have the authority to refuse admittance into the classroom for any signs of illness. Should a child show symptom of illness during the day a parent will be called to pick up the child. Your child should not come to school if any of the following has occurred:

**Fever—currently or within the previous 24 hours**

**Vomiting or diarrhea**

**Any symptom of a childhood disease such as scarlet fever, German measles, mumps, chicken pox, or severe cough  
Common cold—includes any colored nasal discharge**

**Sore throat, earache or croup**

**Any unexplained rash**

**Any skin infections (boil, ringworm, impetigo, etc.)**

**Conjunctivitis (pink eye) or any other eye infection**

### **Isolation Guidelines If You Test Positive for COVID-19**

**10-day isolation from the date of your positive test regardless of your vaccination status. After completing a 10-day isolation, you are permitted to return to school. Example: Student/staff test positive for COVID-19 on Sunday, they are cleared to return to school the following Wednesday, after completing 10-day quarantine and no symptoms arise. At day ten, if you are still experiencing a fever higher than 100.4, please continue to isolate and return to school after being fever free for 24 hours without the use of fever reducing medication.**

**If your child develops an infectious illness following a day of school, please notify the person in charge. We may require a doctor's note before he or she is allowed to return to the center. Also, if your child suffers from noncontagious allergies or asthma, please ask the child's pediatrician for a note explaining this. Any child, who is overly tired, affected by medication, or whose behavior is out of the ordinary should be kept at home.**

## **MEDICATION**

All prescribed medication must be left at the office with the person in charge. A medication form must be filled out completely and signed by the parent or guardian before any medication can be given. Medications must be in the original container and labeled as follows: Child's name, current date, dosage, times to be given, expiration date, and any other special instructions. If your child is taking an

antibiotic, he or she must have been on it for a minimum of **24 hours** before returning to the center and symptom free of illness.

### **EMERGENCY MEDICAL PROCEDURES**

Each child is required to have consent for Medical Emergency Treatment on file. In case of emergency, a trained staff member will administer the necessary First Aid or lifesaving treatments. An office staff member will make every attempt to notify the parents immediately for instructions. In the event a parent cannot be reached we will call 911 to have the most immediate medical help available to meet the needs of the child. If a contacted individual cannot pick up the child, a Kids Kondo staff member will accompany the child and the emergency medical team to the nearest hospital and seek medical attention.

In the event of an emergency:

1. Call a parent for instructions. If parent(s) cannot be reached then we will continue with next step
2. Call an emergency contact
3. If deemed necessary, call emergency medical 911
4. Have emergency medical team transport child to nearest hospital. A staff member will accompany the child
5. Seek medical attention at the hospital

### **CHILD ABUSE**

Teachers observe the children's health and behavior on a daily basis and any signs of suspected child abuse or neglect

will be reported to the Department of Family and Children Services as required by Georgia law.

### **DRESS CODE**

Children should be sent to school clean and well rested. All children (regardless of age) should have a change of clothing in their bags in case of accident. All sweaters, jackets, and other items should be clearly labeled with your child's name. We are not responsible for items left by parents or others who pick up your child. We do not recommend open toe shoes.

### **NAPTIME**

Naptime is from 1 to 3:00 daily. To avoid disrupting the quiet atmosphere, please do not arrive during this time. Please provide a clean sheet daily. And for children 2 and up can bring a small blanket.

### **Meals**

Breakfast, Lunch, and a snack is provided daily. Our menu is posted on the school bulletin board and on our website Kids Kondo.com. Please notify the school with any allergies or meal substitutes. All food allergies are posted in each room of the school.

### **Playground**

The playground is only open to Kids Kondo students and only during school hours.

### **Curriculum**

Kids Kondo follows a creative curriculum and the GELDS program. This is a program that support the growth of the whole child, birth to five. The creative curriculum is designed to foster social/ emotional, physical, cognitive, and language development.

### **Brightwheel**

Brightwheel is where parents can communicate with teachers, pay tuition, and see photos. Brightwheel information is seen only by teachers in your child's classroom, along with the Director and assistant Director. If you have sensitive information please call or email.

### **PARENT'S ROLE**

The relationship between parents and the center staff is vital to the success of a child's experience. A partnership must be formed the first day, with open communication and understanding that the development and growth of the child is our top priority. Parents can assist and help ensure a smooth transition by doing the following: Have all forms completed promptly, Update forms, contacts as needed, keep staff informed of special needs, or changes that might affect your child's behavior.
