**Note:** The data includes performance statistics and recent results for the horses LOU'S BEACH and LOU'S BEACH (J). The table format is used to present the data in a structured manner. The statistics cover various metrics such as wins, places, and performances in specific conditions. The data is presented for a detailed analysis of the horses' performance. The data also includes details about the track where the races were held and the stakes won by the horses. The analysis provides insights into the horses' performance over different periods, including recent races and a broader historical context.
