

## Instruction

### Curriculum

In accordance with state statutes, the prescribed course of study shall include at least the following subject matter:

1. The arts, including dance, music, visual arts, and theater;
2. Career education;
3. Consumer education;
4. Health and safety, including, but not limited to, human growth and development; nutrition; first aid including CPR training; disease prevention and cancer awareness, including age and developmentally-appropriate instruction in performing self examinations for screening breast and testicular cancer; community and consumer health, physical mental and emotional health, including youth suicide prevention, substance abuse prevention including opioid use and related disorders; safety, including the use of social media, and may include the dangers of gang membership; and accident prevention;
5. Language arts, including reading, writing, grammar, speaking, and spelling;
6. Mathematics;
7. Physical education;
8. Science, which may include the climate change curriculum, in alignment with Next Generation Science Standards (NGSS)
9. Social studies, including citizenship, economics, geography, government, history, and Holocaust and genocide education and awareness, and Asian American and Pacific Islander (AAPI) Studies (effective 2025-2026 school year); consistent with state requirements.
10. African-American and Black Studies;
11. Puerto Rican and Latino Studies;
12. Native American Studies (*effective 2023-2024 school year*);
13. Computer programming instruction; and
14. At least on the secondary level, one or more world languages and vocational education.

The curriculum development/revision process will be conducted by a District Curriculum Committee that has the responsibility to recommend, develop, review, and approve all curriculum for the District, and said curriculum shall be subject to the approval of the Board of Education.

The Board of Education reserves the responsibility for establishing and approving curricula for the school district. Teachers shall teach within the approved curricula.

## **Instruction**

### **Curriculum**

The Board of Education in establishing and approving curricula for the school district, will give due consideration to the possible adoption and use of the model curriculum for grades K-8 developed by the Connecticut State Department of Education in collaboration with the State Education Resource Center (SERC) upon its availability. Such consideration shall be based upon the recommendation of the District Curriculum Committee.
