

Headteacher Update

Whole School Attendance 95.3 %

Class Attendance – Year 6 98.1 %

It has been another busy week at Valley Primary Academy.

Year 6 pupils have been undertaking their Year 6 SATs tests this week with such determination and resilience. I know that Mrs Bygrave and myself could not be prouder of them all! They will be enjoying a celebratory party this afternoon.

Have a lovely weekend.

Attendance / Absence

If your child is absent from School and we have not been informed of the reason for absence we will be contacting parents / carers to try and obtain the reason for absence. If we are unable to make contact with the parent / carer we will then contact the emergency contacts which we have been given permission to use on the child's record to obtain a reason for the child not being in school. Please note that if we are not given a reason as to why the child is absent this is recorded as an unauthorized absence on the child's record.

SATS Government Tests

This week, our amazing Year 6 pupils have been sitting the statutory government end of Key Stage 2 tests.

They have worked incredibly hard and we are all so very proud of them.

The results of these tests will be reported to the school and parents will be informed of their child's successes in their end of year report in July.

Medication in School

Please can we remind parents and carers that if their child requires to take a medication during school hours then this needs to be brought to the school office.
