

Headteacher Update

Whole School Attendance 87.1 %

Class Attendance – Year 3 95 %

It has been another busy week at Valley Primary Academy.

The children and staff had great fun celebrating the upcoming Kings Coronation today – dressing up in red, white and blue and singing the National Anthem in assembly!

I wish you another lovely long-weekend.

Attendance / Absence

If your child is absent from School and we have not been informed of the reason for absence we will be contacting parents / carers to try and obtain the reason for absence. If we are unable to make contact with the parent / carer we will then contact the emergency contacts which we have been given permission to use on the child's record to obtain a reason for the child not being in school. Please note that if we are not given a reason as to why the child is absent this is recorded as an unauthorized absence on the child's record.

Cusp Curriculum

This term we have begun the implementation of our new curriculum. The CUSP curriculum is a knowledge rich curriculum that seeks to improve the children's knowledge and skills in every subject as well as developing the children's vocabulary. We are starting "CUSP" lessons in Art and Science and other subjects will follow as the staff are trained in this new approach to teaching and learning.

We are very excited to develop this new curriculum in school!

Medication in School

Please can we remind parents and carers that if their child requires to take a medication during school hours then this needs to be brought to the school office.

Awards and Achievements

Goldsworthy Class – Vilte for a fantastic effort in her PE lesson this week – keep it up!
