THE BAND

Formed in 2021, **YOKOVICH** is a metal band from Lisbon, Portugal. Comprised of members with diverse musical backgrounds, the band combines heavy industrial metal with **melodic elements** from **alternative rock, grunge, stoner and progressive metal.**

NEW ALBUM “UBIQUITOUS”

An intense journey through post-pandemic paranoia, identity loss, and modern warfare.

Featuring 12 genre-bending tracks, **UBIQUITOUS** is a synthesis of **industrial beats, metal breakdowns and grunge-laced textures**. The band fuses influences by **Nine Inch Nails, Marilyn Manson, Rammstein** and **Ministry**, delivering tracks with spin-tingling precision and cinematic depth. Lyrically, the album probes the psychological toll of the digital age, war and distorted human connection.
