*Whatever the occasion, whether a casual evening of cabaret, or an elegant charity gala, from coast-to-coast and heart-to-heart, Ann has the perfect song*

Ann richly mines every story, her voice has been known to bring down the house in performance spaces large and small (even with dysfunctional mics, lol); Ann is lauded by critics and garners praise from the greats of musical theatre and cabaret, including Stephen Schwartz, Lynn Ahrens, Steven Flaherty, David Zippel, Marilyn Maye, Andrea Marcovicci.
