

Romantic Notions

Ann's debut album, 'reIMAGINE,' released in May 2022, has achieved remarkable success with over a million streams, winning the prestigious LaMott-Friedman Award, and glowing critical acclaim. Her highly anticipated 2nd album, 'ROMANTIC NOTIONS,' released in Spring 2024, generated enormous excitement, driven by her sultry rendition of Carole King's classic, 'I Feel the Earth Move.' Renowned for her versatility as a performer on both grand and intimate stages, Ann is now merging her recording career with her stage expertise in her latest show, 'Romantic Notions.' Expect fresh, creative arrangements that captivate and delight her live audiences.
