

Unacceptable Pickup Items List

Trash carts must have regular household trash only. Recycling carts must only have recyclable items in them and cannot be contaminated with trash. View the HRRRA Recycling Brochure on our website to see what is and what is not acceptable to go into the recycling. Below is a list of items that cannot go into the trash or recycling carts and will not be picked up. If you have any of these items, please call our office (203-743-9940) and we can assist you with how to dispose of them.

Items that CANNOT go into the trash or recycle carts:

- **No wood**
- **No broken-up furniture**
- **No demolition**
- **No metal**
- **No earth materials, such as grass clippings, dirt & tree material**
- **No batteries, including car batteries**
- **No tires**
- **No paint cans**
- **No combustibles, including propane tanks & non-food grade aerosol cans**

Thank you and we appreciate your cooperation!
