

## What is a COLUMBARIUM?

A columbarium is an above ground cabinet with 24 or 48 niches that will hold the cremains of one urn per niche. Catholics can be cremated. In 1962 Vatican City lifted the ban and incorporated it in Canon Law in 1983.

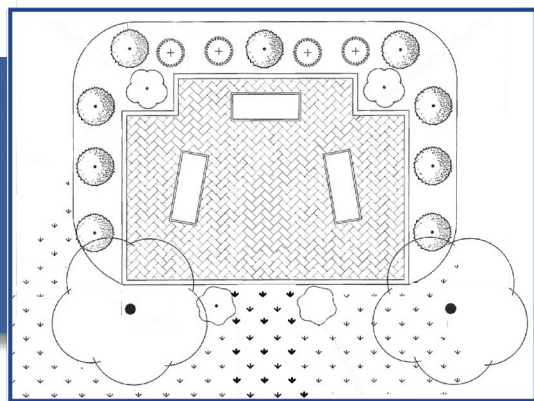

## COLUMBARIUM Details:

- Phase 2: Purchase and installation of a second, 48 - niche cabinet, was completed in Sept. 2024.
- The columbarium garden is located in the southeast corner of the cemetery. The garden will provide a peaceful retreat for prayer and reflection.
- Niches are available for sale through the rectory office.

## COLUMBARIUM Pricing:

The cost per niche for a **parishioner** is \$1,200

The cost per niche for a **non-parishioner** is \$1,600
