<p>Badge</p> 	<p>Bugs</p> <p>Speak with a bug specialist and find out about the different types of bugs or arthropods. We'll learn about their groupings and characteristics and then play a fun game to test our new knowledge. Then we'll explore what kinds of bugs we can see around the Nature Center. Then we'll talk about honeybees, their importance, and how they make honey in a fun bee game!</p> <p>For just \$5 more per Girl Scout, add an optional mason bee motel building activity. Bring a clean veggie or soup can to make the project sustainable!</p>
