

2025 IMPACT AT A GLANCE

PROTECTING LAND. CONNECTING PEOPLE.
BUILDING WHAT'S NEXT.

CONSERVATION & COMMUNITY IMPACT

241 ACRES ADDED TO SUGAR CREEK HOLLOW PRESERVE

A strategic land acquisition in Murray County protected critical habitat and strengthened a connected, resilient conservation landscape.

3,425 CONNECTIONS TO NATURE

Created through hands-on programs at the Fayette Environmental Education Center for students, families, and community members.

134.46 ACRES PERMANENTLY CONSERVED

Protected through four conservation easements in Wayne County, North Carolina, preserving high-value mitigation project sites.

91,660 POUNDS COLLECTED

Through our partnership with Ripple Glass ATL, the community responsibly diverted more than twice the amount collected in 2024.

STEWARDSHIP, EDUCATION, & ENGAGEMENT

494 ACRES OF GREENSPACE MANAGED

Safeguarded across five public nature areas in Fayette County, Georgia.

2 ENVIRONMENTAL EDUCATION INTERNS TRAINED

Through SCT's inaugural summer internship program supporting outdoor education.

480 FIELD HOURS DEDICATED TO SITE VISITS

Across 13 states, our team completed 313 site visits and over 115 drone flights.

321 VOLUNTEERS | 1,523 HOURS

A powerful example of community action driving conservation forward.

A NEW WAY IN | 2026 FOCUS

In 2026, SCT will reimagine the Favor Road entrance to provide safe, reliable access for school buses, families, and all visitors—ensuring uninterrupted environmental education and a welcoming, accessible gateway to nature.
