

**1** Shell to Shore establishes oyster shell recycling programs with restaurant partners across the state.

**2** A crew of UGA interns and volunteers collect the shells from our 12 restaurant partners and oyster events.

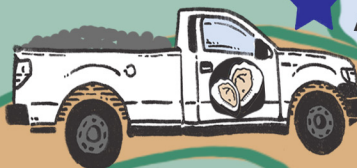

ATHENS

ATLANTA

**3** The oyster shells cure for 6 months.

AUGUSTA

**4** Your support will keep our fleet of interns and trucks on the road.

**5** Shell to Shore hauls the shells to the sites of coastal restoration projects.

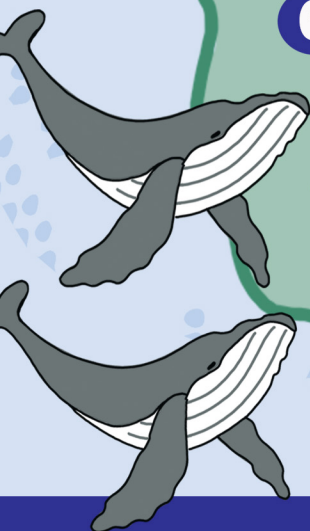

SAVANNAH

**6** We've collected 100,000 pounds of shell to date. That's the weight of two male humpback whales!

**7** Did you know? An adult oyster can filter 50 gallons of water a day.
