"They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common. They sold property and possessions to give to anyone who had need." Acts 2:42-45

In this year's Newsletters, we would like to highlight in each newsletter a short story about our volunteers, donors, supporters, and staff coming together for the children of ACCH. To respect their wishes, there are times when names will not be disclosed, but that will not take away the encouragement or impact of the story. We truly appreciate and thank the Lord for each and every one of you, those who have supported these children for years, and those of you who are new. We pray His continued blessings upon each of you as we work together to provide for children in need.

"Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all." Ephesians 4:3-6

Together WITH OUR Volunteers

We would like to thank the Sanya family for their wonderful hearts in caring for the children and staff of ACCH. Their family constantly gives to our pantry needs, Christmas needs, and gives of their time to provide activities for the families. Thank you, Sanyas, for being a part of our community! Together, you show Christ to our children in so many ways.

Together WITH OUR Churches

This quarter, we would like to thank Northeast Church of Christ for their devoted service to the children of Albuquerque Christian Children's Home. They are cheerful givers through pantry donations, auction item donations, and coin drives for the children. We always love seeing them come into the office to bring donations, and we are thankful to partner with them to love and care for children. Thank you, Northeast!

Together

FOR AND WITH OUR

Children

Our houseparents in Cottage 1 came up with a creative idea to build a whimsical treehouse in the backyard tree. It has turned out to be an amazing treehouse! The kids all contributed their ideas and helped with the construction, including cutting the boards and nailing the frame. It truly is the coolest treehouse and a fantastic place to hang out! The kids assisted our house dad, Danney, in building the treehouse, and each day they create positive memories that contribute to a wonderful childhood.
