## *Civil Air Patrol Cadet Program*

"I pledge to serve faithfully in the Civil Air Patrol Cadet Program and that I will attend meetings regularly, participate actively in unit activities, obey my officers, wear my uniform properly, and advance my education and training rapidly to prepare myself to be of service to my community, state, and nation." These were the words recently spoken by our three oldest boys here at the ACCH as they were pinned for accomplishing their first achievement in the Civil Air Patrol. All three boys stood proudly at attention and saluted thanks to their houseparents in front of their entire squadron.

The three boys started their Civil Air Patrol journey in March and, since then, have taken part in physical training tests, aerospace learning, leadership training, and preparation for their summer encampment. The boys participate every week in meetings where topics can range from marching drills to teachings on what it looks like to be a loyal friend. We have been extremely pleased with a program that builds up the kiddos in an environment different from the usual church life and campus life. We love that the values of the Kingdom are being confirmed in the hearts of our boys through a program that introduces them to serving their country. As they stumble and group their way to Jesus (Acts 17), they are finding out that the attention to what God is doing in and through them is not just a benefit of fitting into the rhythms here at the ACCH, but that even our armed forces are attracted to the teachings of our Lord.

# *Civil Air Patrol Cadet Program*

One fine morning in May, our boys got up at the crack of dawn, shaped up their camouflage uniforms, shined their boots, and headed out the door for Kirtland Air Force Base. The morning was to be their first orientation flight. The ride to the flight strip was one of the quietest rides as the boys mentally prepared for flying. As pride was swallowed, questions like "do we have to fly?" and "have there been many crashes?" surfaced and bubbled out. Soon they all stood under the wings of their three-seater Cessnas and went through their engine checks. Before ya knew it, they were scooting down the runway and soaring over the city. None of them knew they would be getting the chance to fly the plane themselves once in the sky. They all came back with puffed-up chests and stories of taking the controls and flying the planes. For two of them, it was their first time ever flying. How cool to say the first time they flew in a plane, they actually got to take part in flying the plane!

*"They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common. They sold property and possessions to give to anyone who had need." Acts 2:42-45*

As we look ahead to this coming year, we would like to highlight in each newsletter a short story about our volunteers, donors, supporters, and staff coming together for the children of ACCH. To respect their wishes, there are times when names will not be disclosed, but that will not take away the encouragement or impact of the story. We truly appreciate and thank the Lord for each and every one of you, those who have supported these children for years, and those of you who are new. We pray His continued blessings upon each of you as we work together to provide for children in need.

*"Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all." Ephesians 4:3-6*

## Together WITH OUR Donors

One of our dear donors has been "Building Their Futures" since 2023. Here's why:

"I have believed that the most deserving of assistance are children, who of no fault of their own, are in a rough situation. I don't have the capability of providing a safe, loving, Christian-based home life for them. Albuquerque Christian Children's Home does. That is why I continue my support."

## Together WITH OUR Churches

This quarter, we would like to express our gratitude to the Hermleigh Church of Christ in Hermleigh, Texas. The church consistently demonstrates generosity by contributing each month to support the children at Albuquerque Christian Children's Home. Additionally, many of their members give individually. Thank you, Hermleigh Church of Christ, for your commitment to providing a safe home for children in need.

FOR AND WITH OUR

# Children

One of our children has had an eventful year as she has been growing up! She will be entering her senior year of high school next year. Over the past year, she started driving, got her first job, and has been taking college courses alongside her high school studies. Additionally, she will be working at a Christian summer camp for most of the summer. She loves the Lord and is a responsible, kind, and hardworking individual. We can't believe how quickly she has grown up! We are so proud of her.
