# 2022 Lillie's Collection
# Lake County Cabernet Sauvignon

## GROWING SEASON NOTES

The 2022 growing season began with a dry winter and early bud break, setting the stage for a fast-paced vintage. A warm, consistent summer followed, with heat spikes in late August accelerating ripening. Careful vineyard management was essential to maintain balance and protect fruit integrity during these critical weeks.

## VINEYARD NOTES

Balance begins in the vineyard. Our Lake County estate Cabernet is sourced from hillside blocks between 1,350 and 2,600 feet in elevation, where red volcanic soils and dramatic diurnal shifts define the growing conditions. These rugged sites yield small, intensely flavored berries with vibrant acidity and deep concentration.

## WINEMAKING NOTES

Cabernet Sauvignon was harvested from multiple hillside estate vineyard blocks, each fermented separately to preserve site-specific character. The lots were aged for six months before blending, then returned to barrel for an additional nine months of aging to enhance integration and complexity. The oak program included 10% new oak, adding subtle structure and depth without overshadowing the fruit.

## TASTING NOTES

Cabernet Sauvignon is loved for its depth of concentration, tannins and age worthiness. Ours offers flavors of red fruits, dried sage, and spices.

## LILLIE'S STORY

Lillie's Collection is inspired by our founder, Lillie Langtry—actress, trailblazer, and one of California's first female vintners. These wines reflect her spirit: bold, elegant, and built for connection. Made to bring people together, they're unpretentious, expressive, and rooted in a legacy of doing things differently.
