2024 Lillie's Collection
Monterey County

GROWING SEASON NOTES

The 2024 growing season in Monterey County was delayed by cool spring and summer temperatures, pushing harvest back by two to three weeks. Heavy winter rains revitalized the soil and vine canopies, contributing to healthy growth and strong fruit development. Despite the compressed harvest window, growers reported excellent quality with vibrant acidity, deep color, and strong varietal character.

VINEYARD NOTES

Crafted in partnership with our longtime growers of over 10 years, this wine comes from select vineyards in Monterey County, where cool marine influences and well-drained soils promote slow, even ripening—yielding bright aromatics, balanced acidity, and vibrant fruit character.

WINEMAKING NOTES

Fruit was harvested from multiple vineyard blocks featuring a mix of Pinot Noir clones, each vinified separately to preserve the unique character of its site. After primary fermentation, the individual lots were aged for six months in oak barrels, including 5% new oak. The wines were then carefully blended to achieve balance and complexity, followed by an additional six months of barrel aging prior to bottling. This approach enhances structure while allowing the purity of the fruit and vineyard expression to shine through.

TASTING NOTES

The Pinot Noir has notes of floral and red fruits layered with baking spices. This medium bodied, fruit forward wine has flavors of earth and oak with a soft, silky finish.
