2022 Lillie's Collection
Lake County Red Wine

GROWING SEASON NOTES

The 2022 growing season began with a dry winter and early bud break, setting the stage for a fast-paced vintage. A warm, consistent summer followed, with heat spikes in late August accelerating ripening. Careful vineyard management was essential to maintain balance and protect fruit integrity during these critical weeks.

VINEYARD NOTES

Fruit for this blend is drawn from select blocks across our estate vineyards in Lake County. Set at elevation and rooted in volcanic soils, these sites experience warm days and cool nights—conditions that promote depth, structure, and vibrancy. The result is a wine that reflects both the intensity and elegance of Lake County.

WINEMAKING NOTES

Each variety was hand-picked, fermented, and aged separately for 9 months in large oak vats and barriques, 5% new, after which the resulting blend was created and returned to barrel for 3 months before bottling.

TASTING NOTES

The 2022 Red Blend is an approachable, medium-bodied wine with aromas of black fruits, dried sage and tobacco. Silky tannins, with flavors of blackberry and chocolate, juicy acidity, and a smooth finish make this wine delicious.
