2024 Lillie's Collection
Lake County Sauvignon Blanc

GROWING SEASON NOTES

The 2024 vintage was another classic vintage. Heavy winter rain led to filled ground water supply for healthy canopy growth. This helped protect the fruit from the summer heat which lasted from June through harvest. The expansive heat and sunshine led to a compacted harvest, wrapping up by the end of September.

VINEYARD NOTES

Balance begins in the vineyard. Our high-elevation estate sites in California's Lake County offer lean volcanic soils, warm days, and cool nights—ideal conditions for cultivating Sauvignon Blanc. These challenging growing conditions yield small, concentrated berries with vibrant aromatics, bright acidity, and a refined structure—hallmarks of the region's pedigree and terroir.

WINEMAKING NOTES

The grapes were hand-harvested and gently pressed before undergoing a cold settling process. The clarified juice was then racked into a secondary tank and fermented at a controlled temperature of 58°F to preserve aromatic integrity. Following fermentation, the wine was aged on its lees for 4 months with periodic stirring to enhance mouthfeel and texture.

TASTING NOTES

This 2024 Sauvignon Blanc has fragrant notes of bright notes of pear, apricots and white peach. This light bodied wine adds flavors of lemon curd and melon with a refreshing and crisp finish.

LILLIE'S STORY

Lillie's Collection is inspired by our founder, Lillie Langtry—actress, trailblazer, and one of California's first female vintners. These wines reflect her spirit: bold, elegant, and built for connection. Made to bring people together, they're unpretentious, expressive, and rooted in a legacy of doing things differently.

VARIETALS:	Sauvignon Blanc
APPELLATION:	Lake County
ALCOHOL %:	13.5 %
AGING:	Stainless steel tank aging
T/A:	6.5 g/l
pH:	3.32
