LEGACY VILLAGE AT PLANTATION MANOR

NEWSLETTER | OCTOBER 2025

A Message From Your Executive Director

As the leaves start to change and the air turns crisper, it seems like life speeds up for everyone. Around here, fall is a season bustling with activity—festivals, family events, and traditions both old and new. For many, this time of year is a juggling act: kids settling into the school routine, calendars filling up with sports and lessons, and workplaces picking up the pace after summer. If you're part of the "sandwich generation," you know better than anyone what it means to be pulled in all directions at once, balancing the needs of growing children and supporting aging parents or grandparents, often while still managing careers and everything else life throws your way.

We know that when a loved one moves into our community, it's usually because families need a helping hand. What might come as a surprise is how often you'll hear from us, too, inviting you to join in for a meal, a festival, a musical performance, or just a moment to connect. We do this not to add to your already-full plate, but because we believe that staying connected, even in small ways, means everything to the people who live here—and to those who love them.

Still, we understand that you can't be everywhere at once. Sometimes, you're running from a school bake sale to a weekend tournament, and there just isn't enough of you to go around. Please know: we see you, we appreciate you, and we're grateful for every moment you share with us, even if it's just a phone call or a note sent in.

This month, as we roll out fall celebrations and family-friendly events, we hope you'll find a few minutes to join us when you can. Our doors are always open, and there's nothing better than seeing families come together, whether for a pumpkin craft, a game night, or just to laugh and swap stories. Maybe, just maybe, our little gatherings will make it a bit easier to spend time with your loved ones, all in one place.

Thank you for trusting us with someone so important to you. We're honored to be part of your extended family.

Sincerely,

Carol Whitney

Lillie Faye King: A Journey of Family, Faith, and Service

Lillie Faye King’s story begins in the quiet streets of Thomasville, where she grew up surrounded by family—her mother, father, and three brothers, including her twin, Ray. Though time has taken her oldest brother and Ray, their memories live on in the heart of this remarkable woman.

Faye’s early days were spent attending Fletcherville Elementary (now Harper Elementary) and later graduating from Thomasville High School in 1963. Her thirst for learning carried her to Birdwood Junior College, now Thomas University, where she graduated in 1965.

Just days after graduation, Faye married Don King, the love of her life. Together, they’ve shared over 60 years of marriage, building a family filled with warmth and laughter. Their son Bryant, along with his wife Amy, has blessed them with two grandsons, Will and Thomas. Their daughter Julie and her husband Johnny Eaton have two sons as well—Taylor and Mason—adding to a family that spans generations.

Faye’s journey took a pause as she devoted herself to raising her children and setting a foundation for their futures. Once they were settled in school, she returned to her passion for teaching. She earned a bachelor’s degree in Elementary Education from Valdosta State University and began shaping young minds as a third-grade teacher at Jerger Elementary in Thomasville.

Encouraged by her principal, Mrs. Lucille Burgess, Faye pursued further education while continuing to teach. Nights and summers were spent at Valdosta State as she earned her master’s degree

in education, followed by a master’s in education administration. This dedication opened new doors, leading her to serve as assistant principal at McIntyre Middle School, and eventually, as principal of Jerger Elementary. She held that role with heart and grace until her retirement in 2005.

Faye’s devotion extended beyond the classroom. Her faith was a guiding light throughout her life, deeply rooted in Dawson Street Baptist Church. Here, she shared her gift for teaching in Sunday School, led an adult ladies class, and extended compassion through a jail ministry for women in Thomas County. Her love of music brought her voice to the church choir, where her spirit touched many. Through teaching and faith, Faye led countless souls toward hope and love.

Retirement marked the start of a new adventure. Alongside Don, Faye explored the beauty of the nation they had always called home. From the rugged peaks of Grand Teton National Park (often just called the Tetons) to the wild landscapes of Alaska and the sun-kissed shores of Hawaii, their travels spanned every state and countless national parks—Yellowstone, the Grand Canyon, Glacier, Yosemite, Arches National Park, and more. Along the way, Faye’s warmth and kindness forged friendships that continue to thrive, a true reflection of a life well-lived and deeply cherished.

Lillie Faye King’s story is one of love, dedication, and faith—a legacy woven into the lives she has touched and the communities she has served. Now a cherished resident of Legacy Village at Plantation Manor, her journey continues to inspire those around her, reminding us all of the power of family, service, and the joy found in every new horizon.

THERAPY IDBITS

Have you ever heard the saying, “If you don’t use it, you lose it”? It’s true! As the temperatures start to drop and we settle into the “-ber” months, it’s tempting to stay bundled up under big, fluffy blankets with the heat turned up. But too much time spent cozied up can lead to less movement, which may cause joint stiffness, muscle atrophy, and less lung expansion—sometimes even leading to pneumonia.

Our bodies are designed to generate heat as we move. Joints stay healthy and lubricated when we’re active, which helps to reduce pain. Even mucus in the lungs loosens up and gets cleared out more easily when we breathe deeply and move around.

To improve both the quality and quantity of our lives, let’s encourage one another—and our loved ones—to stay active in ways that fit our lifestyles. If you need ideas or support, please reach out to our Select Rehabilitation Team. We’re here with tips and tricks to help even the coziest loved ones get moving!

Proverbs 24:30-34 says, "I went by the field of the lazy man, and by the vineyard of the man devoid of understanding; and there it was, all overgrown with thorns; its surface was covered with nettles; its stone wall was broken down. When I saw it, I considered it well; I looked on it and received instruction: A little sleep, a little slumber, a little folding of the hands to rest; so shall your poverty come like a prowler, and your need like an armed man."

This passage paints a picture of someone who has lost their vision. The field here needs a visionary—someone to see it beautifully kept and flourishing.

Proverbs 29:18 says, "Where there is no vision, the people perish: but he that keepeth the law, happy is he." A vision is a spiritual blueprint, and a man with no vision is a sinful man. In fact, Jesus called the man who had no vision and buried his talent a wicked, lazy servant.

Romans 6:23 says, "The wages of sin is death." Lack of vision, I believe, is laziness—which is sin—and

sin leads to death. I would add that this doesn't apply just to spiritual death, but also to the death of your job, marriage, vision, and even your field or vineyard, as we see in **Proverbs 24**. In **Nehemiah 2:5**, Nehemiah received a vision to rebuild the wall. As Nehemiah began to share this vision, others joined in.

Habakkuk 2:2-3 in the Contemporary English Version reads: Then the Lord told me: "I will give you my message in the form of a vision. Write it clearly enough to be read at a glance. At the time I have decided, my words will come true. You can trust what I say about the future. It may take a long time, but keep on waiting—it will happen!" If you will begin to dust off those spiritual blueprints and start sharing the vision, God will send people alongside you to help fulfill it. As Nehemiah's helpers caught hold of the vision, they said, "Let us rise up and build." Then they set their hands to this good work.

As **Jeremiah 29:11** says, "God has plans (blueprints) for you."
