I do hereby give parental/guardian consent for the above mentioned youth player to participate in the D&R Star youth dart leagues. I understand that the purpose of this league is to give the participants an opportunity to play the game of darts in a safe, fun, and competitive environment, and to teach them a game that they can continue to enjoy for the rest of their lives. Leagues are sanctioned through D&R Star with the National Dart Association and qualify all participants to play in NDA sanctioned events such as Team Dart and the NDA Junior Tournament.
