

7 & 8 OCTOBER
2025

FACET Symposium

More info:

<https://www.franceaustraliaenergy.com>

Addresses:

7/10: Couvent Sainte-Cécile, 37 Rue Servan,
38000 Grenoble, France

8/10: Fédération du BTP de l'Isère, 88 Av. des
Martyrs 38000 Grenoble | GreEn-ER, 21 Av. des
Martyrs 38000 Grenoble

FACET Symposium Agenda - morning

7th October

19:30 Official Welcome @ the Couvent Sainte Cécile

Keynote
Prof. Pascale Quester VC &
President of Swinburne
University of Technology

Keynote
Jean-Louis Falconi
Director of International
Relations, CEA

Keynote
**Prof. Yassine
Lakhnech**
President of Université
Grenoble Alpes

8th October

8:30 Registration and Welcome Coffee @ Fédération du BTP
9:00 Openings Remarks

Keynote
Marc Abensour
Ambassador for Indopacific

Keynote
Mardi Wu
Embassy of Australia to France

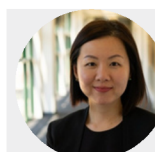

9:30 Presentation by the co-directors & FACET duo partners presentation

Keynote
Prof. Joy Sumner
Co-Director, FACET

Keynote
Sarah Cumming
Co-Director, FACET

Moderator/MC
Wei-Li Wong
FACET Team

Presentation
Dr Jeremy Causse
R&D Project Manager, CEA

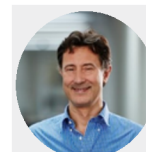

Presentation
Dr Etienne Studer
Hydrogen security
expert, CEA

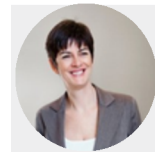

Presentation
Prof Gary Rosengarten
Director Sustainable
Technologies & Systems,
RMIT

Presentation
Dr Gregory Guyot
Head of Smart Grid Lab, CEA

Presentation
Charles Vuillier
Technical Director
Tailoring, GHD

Presentation
Jill Stajduhar
CEO, Future Energy
Export CRC

10:45 Coffee break

11:05 French and Australian industries on the energy transition path

Dani Alexander
UNSW - Energy Institute
CEO

Gabriel Bareux
RTE - Director of
Research &
Development

Patrice Tochon
Genvia - Research &
Innovation Director

Tatiana Vilarinho
Fortescue - R&D Hydrogen
Technology Manager -
Europe

Prof. Glenn Toogood
**Future Energies Institute, Uni.SA / Former
Qantas** - Chair Clean Energy Technologies
Adelaide University and IMT Atlantique

12:05 Lunch break

FACET Symposium

Agenda - afternoon

13:30 Hydrogen at the Crossroads: Technology, Infrastructure, and Partnerships @ FBTP

Co-chair
Laurent Antoni
IPHE - Director

Co-Chair
Karen Kozielski
CSIRO - Deputy lead
Hydrogen Mission

Mélanie Ducros
Victoria Hydrogen
Hub/FACET -
International Expert

Pierre Laboué
France Hydrogene - Head
of international relations

Marius Bosch
Rux Energy - Head of
Strategy &
Commercial

Julien Agier
Ministry of energy
transition - Head of
renewables & low carbon
gaz office

OR

13:30 Towards efficient use of critical material ores @ GreEn-ER

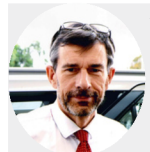

Co-chair
Stéphanie Riché
CEA - Program Manager, Circular
Economy of Materials for Low
Carbon Energies

Co-chair
Dr. Carla Gonzalez Zlatar
CSIRO - International Engagement
Manager - Australian Critical
Minerals R&D Hub

Stéphane Bourg
OFREMI -
Director

Vincent Dieudonne
Eramet - Referent
beneficiation at
Eramet Exploration

Jean-Baptiste
Champenois
CEA - Head of
Laboratory

Charles Vuillier
GHD - Technical
Director Tailoring

Antoine Leydier
CEA - Expert

15:30 Coffee break

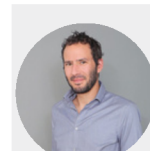

16:00 Circular Carbon: eFuels and eBiofuels for Energy Transition @ FBTP

Co-chair
Muriel Matheron
CEA - Carbon Circular
Economy Program Line,
Research Director

Co-chair
Aaron Wylie
Downer - General
Manager Energy
Solutions

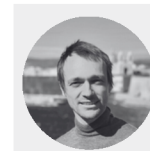

Leonard Sarfaty
MGH - International
Business Development
Manager

Julien Grandjean
IFPEN - Project Leader

Elise Le Goff
CEA - Efuel expert

Emmanuel Vullierme
Evolen - Technical and
strategy director

OR

16:00 Decarbonation pathways of future energy systems: Crossed visions @ GreEn-ER

Co-chair
A/Pr Vincent Debusschere
UGA - Co- leader of the
"Power Systems" research
team of the G2ELab

Co-chair
Prof Gary Rosengarten
RMIT - Director,
Enabling Impact
Platforms

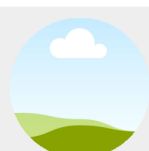

Ali Bourig
EDF - Project
Development and
Technical Manager

Prof. Mehdi
Seyedm Mahmoudian
Swinburne - Director of
Energy Transition Hub

Dani Alexander
UNSW - Energy
Institute CEO

Schneider E TBC.

18:30 End of the symposium
