Caviar

IMPERIAL

This carefully selected caviar is sublime with its mild creamy and light spicy flavours has a golden to light brown colour. The *Acipenser Schrenkii* – *Huso Dauricus* sturgeon produces the second largest eggs. The sturgeon can grow up to 300 cm. This hybrid sturgeon produces caviar when it is at least 4 years old.

B E L U G A

The most exclusive and expensive caviar for fans of creamy, nutty and light spicy flavours. The colour is grey-silver to black. These largest eggs come from the Husos Huso sturgeon that can grow up to a length of 600 cm. The Beluga sturgeon produces between 20 to 30 kilos of caviar after it reaches the age of at least 20 years.

We serve your choices of caviar as of 10 grams per selection.

Imperial Caviar € 12 per gram

Beluga Caviar € 15 per gram
