

# Anne McMannus

## BIO

Since 2005, I have been a full time Art Director/Graphic Designer, creating direct mail packages for large non-profits. My professional portfolio also includes designing logos, branding, etc.

I graduated from Rochester Institute of Technology with a degree in Communication Design and a degree in Graphic Arts and Printing Technology in 1980. Starting out in publishing in NYC, I then owned a typesetting company (Just Your Type) which I ran for 10 years.

Fast forward to 2022-2023 I studied watercolor with Kathy Anne English who encouraged and believed in me. I will be forever grateful to her for welcoming me into the world of watercolor and local art! I've since experimented with acrylics and am currently exploring oil.
