BIG ASTOR SRL

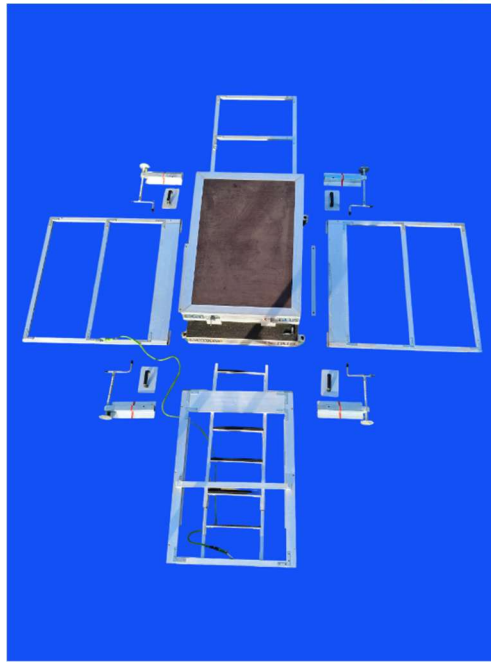

Via Somalia 108/1 - 10127 Torino – Italy - Tel. +39 0116051743

www.people-lift.com - info@bigastor.it

LIGHT

Every rolling scaffold is entirely made of aluminium parts.

In their field, they are among the lightest ever.

REMOVABLE GUARDRAILS

COMPACT

Extremely small-sized scissor rolling scaffold to allow passage in confined environments or with little space

MANUAL

The rolling scaffolds of the range Baby are manually operated and push-around.

	H Cm	L1 Cm	L2 Cm	H2 Cm	H3 Cm	weight KG.	LIFTING MOVEMENT
