## CCD Partners advises Manali Petrochemicals and AMIH on the sale of Notedome to COIM SPA

**About Notedome** Notedome Limited is a leading global manufacturer of advanced polyurethane elastomer systems, specialising in high-performance materials for industrial, automotive, construction, and engineering applications. The company delivers a comprehensive portfolio of innovative, durable solutions tailored to demanding environments, supplying customers across the globe.

**About Manali Petrochemicals** Manali Petrochemicals Limited (**MPL**) is a leading petrochemical manufacturer based in Chennai, India. It markets propylene glycol and polyols and is part of the Singapore-headquartered AM International Holdings (**AMIH**) group.

**About COIM SPA** the COIM Group is an Italian multinational that develops, produces, and markets specialty chemicals worldwide for the manufacturing industry, ensuring local presence through 19 companies - of which 9 are specialised production and R&D sites - in Italy, Singapore, India, the USA, Brazil, Spain, Austria, and the Netherlands.

**CCD Partners' role** Matt Dixon, Basil Saeed, and others from CCD Partners advised MPL on this divestment project, working closely with Notedome's management team and negotiating the transaction terms.

**R. Chandrasekar, Managing Director & CEO, MPL Group, commented:**

*"The divestment of Notedome is part of a longer-term strategy to rebalance our product portfolio toward large, addressable markets and fast-growing segments in India, Southeast Asia, and the Middle East."*

**Hugo Chardon, Head of Strategy EEA, AM International, commented:**

*"CCD brought a level of industry insight and senior execution support that materially improved the quality and pace of our divestment process. Their integrated model, combining deep sector specialists with hands-on M&A execution, gave us the clarity and confidence needed to navigate a complex transaction"*

**Basil Saeed, Associate Partner, CCD Partners, commented:**

*"This transaction aligns a specialist cast-elastomers franchise with a global owner that knows how to scale innovation responsibly. The strategic fit is clear: a stronger European manufacturing footprint, broader technology and application depth, and a customer base that will benefit from greater supply assurance and development resources. For Manali Petrochemicals, this is a focused portfolio move that sharpens its core while ensuring continuity for customers. We're proud to have supported MPL throughout this transaction"*
