(*) WHOLESAL PRICE: Orders of a minimum of USD 2,000 per product, and no less than USD 30,000 across all products.

About expeditaron date, you have 2 option:

- 1) If you purchase from existing batches, the expiration dates for the current stock will be displayed. At that point, you can decide whether or not to make a purchase, as well as the specific quantity you wish to order.
- 2) If you would prefer a new batch produced exclusively for you—with a 24-month shelf life—the minimum order quantity per product is 3,000 units.

(#) VETERINARY PRICE: Minimum order \$ 2,000 per order.

(@) RETAIL PRICE: The retail prices are suggested.

However, we do monitor them, and a price variation of more than 10%—either upward or downward—is strictly prohibited.

Within that price range, the veterinary clinic is free to set whatever price it chooses.
