

Review of Environmental Factors (REF) Determination

This Review of Environmental Factors has assessed the likely environmental impacts of a proposal by Armidale Regional Council for Kempsey Armidale Road Restoration Project.

Armidale Regional Council has considered the potential environmental effects of the proposal and the effectiveness and feasibility of measures for reducing or preventing detrimental effects. It is determined that:

1. The proposed mitigation measures will be adopted and implemented;
2. Implementation of these mitigation measures will reduce the potential environmental impact of the proposed activity;
3. An Environmental Impact Statement is not required for the proposed works under the *Environmental Planning and Assessment Act 1979 (NSW)*.
