

BROAD REACH
VICTORIAN ASSISTED LIVING

Hello April!

Our spring has come at last with the soft laughter of April suns and shadow of April showers! April is the sweetest month of the year, the mellow season of rebirth and renewal.

Spring is certainly joyous for many. It feels miraculous. I admire each tiny shoot peeking up from the still-cold ground. New green leaves and buds on the trees make me feel hopeful and excited about what is to come.

Spring reminds me of Easter egg hunts, gardening, fresh air & the smell of rain, spring walks with my dog, and my birthday!

What reminds you of the spring?

Enjoy the beautiful springtime!

Kayla
