## **Legal Notice**

### **Attention:**

**South Clackamas Transportation District has an opening to fill a recently vacated Board of Directors position. The interim position would be filled as soon as possible and would last until June, 2027 until the new board member position would be filled through the election process. The Board is comprised of 7 board members who each serve a 4 year term, elections are held every other May in odd years. Normally 3-4 positions are up for election each cycle. The board meets once a month on the 3<sup>rd</sup> Thursday of each month (Except August, November and December) at 7pm at the District office which is located at 807 E. Main Street Molalla, OR 97038. The meetings generally take about an hour and a reading packet is sent to you about a week ahead of the meeting. You will not normally be contacted by citizens during the month (like a City Councilor might be). The work load is light and does not require much of your time other than being present for the meeting to discuss issues and vote on motions and resolutions.**

**If you are interested in being considered for the interim position, please email a short 1 page letter of interest to [mstrauch@sctd.org](mailto:mstrauch@sctd.org) Or you can call the District Manager, Mike Strauch, at 503-829-7000/7020 for more information about the position.**

**Thanks,  
Mike Strauch  
SCTD District Manager**
