

Rider Alert

Effective April 1st, 2026, SCTD will implement schedule changes for the Molalla to CCC routes.

- **Molalla to Clackamas Community College route will have adjusted times for all trips on the M-F route, Saturday service times will remain the same.**
- **Changes to the Molalla to CCC route were necessary to add more overall trip time to the M-F schedule due to severe increases in highway traffic and other delays that have caused the current times to be unattainable to keep the bus on time for the current schedule.**
- **While adding times to each trip will cause there to be fewer daily roundtrips, the desired outcome for these changes is to keep the bus schedule on time and to allow the drivers to operate in a safer manner.**
