

Greetings from us at Christman Pool!

Spring 2024 Opening Checklist

- Please complete your service agreement and follow these simple steps. *Failure to execute all steps may result in your opening being delayed until completion of the agreement.*
- Mark the boxes to right of the services you would like. If you would like the same services as the 2023 season, check the box at the bottom of your contract.
- Write in your requested pool opening date. You may not get the date you request, but we will schedule as close to your requested date as possible. All openings are determined geographically, and are booked in the order we receive them. You will receive an email confirmation or post card with your opening date.
- Fill out, or call in with your credit card information so that we can process the \$250 deposit. Please do not assume we have your card information!
- Sign, date and return the correspondence with your early buy form and this will secure your pool opening date. If you do not return your early buy form, we will not know to drop off chemicals to you! Early buys that are returned receive a 5% discount on the order. Inventory your chemicals, and adjust your early buy as needed.
- See back page for Winterization dates!
- Notify us of events! Please allow 10 days before your pool parties, graduations, birthdays, etc. for your pool to look its best. Dates fill up fast!
- Inspect your winter cover and call early if a new one will be needed, earlier the better. See back Page!

Plunge Plus

2023 brought exciting news! Last season we introduced our new dealership agreement with Plunge Plus. Now in 2024 we are offering a patented, modular concrete construction method to build a smaller, elegant swimming pool. The modest footprint and minimally intrusive installation in the backyard have rocketed 'plunge' style pools to the forefront of our industry. Their simple elegance, lower maintenance and operating costs have attracted our ever changing demographic drawn to smaller, stylish spaces. A plunge plus pool is perfect in any back yard!

LEAVE THE DIRTY WORK TO US

Superior Cleaning Performance. Simple Debris Management. Intuitive and Easy To Use.

ROBOTIC
PREMIUM ROBOTIC POOL CLEANERS

Polaris Cleaners have gone cordless!

Now introducing Polaris cordless pool cleaners in varying levels to fit your pool size. Run times of 2.5 hours requiring 5 of charging time. Take advantage of the customer rebates this spring.

Spring Equipment Sale!

We are offering sales on equipment packages. If you need to change, add or upgrade one or all pieces of your equipment package, please call today!

We are extending a 10% discount off installation charges with a deposit and installation by May 1st, 2024.

- Variable Speed, energy efficient pumps.
- High capacity Cartridge and Sand Filters
- Salt chlorine generators
- Robotic Vacuums (manufacturer rebate*)
- Electric Heat Pumps and Gas Heaters

Winter Safety Covers

If your safety cover is in need of replacement, please call early so we can price a new one for you. A safety cover will last you 10-15 years on average, so plan accordingly!

*Winterizing Dates

You will Notice that we do not have a section for winterization dates on our service agreement this year. Winterization date requests will be accepted by phone or email after August 1st, and you will be notified when you are booked.

Coming summer of 24' - Customer Portal

In our effort to make our relationship as easy as possible we will be introducing a "Customer Portal."

This portal will allow you to create a personal login. You can then sign in to your account, pay current invoices and review previous invoices. You will be hearing from us when this goes live, but in the meantime it is crucial that you provide the following info to us;

- Email address to send invoices
- Credit Card #, Exp Date, CVV, and Zip code.
