Board of Directors – Year-End Message “Out With the Old, In With the New”

As we bring this year to a close, the Board extends heartfelt appreciation to the members, firms, and community members who continue to support our mission. This is a time to reflect on what we have accomplished and to look forward with purpose.

As we step into the new year, we are excited to focus on:

- Growing our Association through the addition of new members
- Building strong relationships with partners and vendors within the funeral service profession
- Providing continuing education courses featuring relevant, timely, and innovative topics - we are always welcoming your suggestions/wishes!
- Encouraging your participation in Association events, picnics, etc. and joining your family into the larger extended family of the Association.

We strongly encourage you to attend the general membership meetings, continuing education courses, and to get involved in the Association if you are watching from a distance. Lastly, if you have not done so already, join our Facebook page to see all the updated information and events in real time.

These initiatives reflect our commitment to supporting excellence, strengthening our network, and preparing professionals for the evolving needs of the families we serve.

Thank you for your dedication, trust, and involvement. May the coming year bring peace, connection, and meaningful progress for all.

Happy Holidays and Blessings in the New Year!

With appreciation,
The ACFDA Board of Trustees

Since 1939, our mission has been to educate and train the next generation of funeral directors...but we need help from our friends at ACFDA!

Please know that you can support our mission by providing practical clinical experiences for our students.

If your funeral home is serving a family "in need" that might benefit from decent care and transfer services that will be provided to them at NO COST by the students (under licensed supervision by our instructors), PLEASE CONTACT THE SCHOOL!

We are ALWAYS ready to serve and your consideration not only helps out a family in need but also the future of the funeral service profession.

Style and Strength.

That's the Wilbert Way

Structurally sound and beautifully designed, Wilbert sets the standard for lined and sealed burial vaults. Constructed of high strength concrete and reinforced with a plastic liner, a Wilbert vault helps protect the casket and its contents from ground contaminants entering the gravesite and from immense overhead weight. Along with a wide range of colors and materials, many Wilbert models are designed to allow for a personalized vault cover for display during the ceremony.

Families can capture a cherished memory or highlight a loved one's spirit, passion and personality for a meaningful tribute that will be admired and appreciated by all who attend the service at the cemetery.

Who says a vault can't be strong and stylish? That's the Wilbert Way.

Pictured Above: Wilbert Vault with Arlington® Triune® burial vault. Buried through the Commemorating First Responders program, the urn can be personalized with a Wilbert Legacy Series print depicting the hero's profession (if available) or a Legacy II print.

Stainless Steel Triune® Urn. Wilbert stainless steel vaults and urn vaults provide a way to honor fallen heroes. Personalized with a Wilbert Legacy Series print depicting the hero's profession (if available) or a Legacy II print.

Commemorating First Responders provides families of firefighters, law enforcement officers and emergency medical personnel who have died in the line of duty with a tribute worthy of their valor and sacrifice.

At no charge to the family, Wilbert will donate

a Stainless Steel Triune® burial vault with personalization. If permitted, a WilbertWay graveside service may also be included.

For cremation families, we offer a choice of any urn from our Cremation Choices catalog, and a Stainless Steel Triune® urn vault with personalization for memorial tribute. Urn engraving and shipping are also provided at no cost to the family.

For more details about the program to honor fallen heroes in your community, contact your local Wilbert representative or visit www.wilbert.com.
