

Let's Talk about Vaccines Week

14-18 September 2026

Let's Talk About Vaccines (LTaV) Week aims to build on Hampshire and Isle of Wight's ongoing commitment to improving vaccine uptake

- **Bringing together colleagues** from across all health and social care sectors in HIOW
- Reflecting on what's worked well, **sharing best practice** and **developing new skills** to support future delivery
- Opportunity for **collective learning**, collaboration, and **continued improvement in how we engage our communities** around vaccination.
