Hello, we're Keep It Local Maine!

This is a magazine dreamed, designed, and done by people who live in Maine and who are passionate about local businesses. From start to finish, everything we do is designed, printed, and mailed right here in Maine. We are very excited to be sharing businesses from in and around the Falmouth, Cumberland, & Yarmouth areas with you every other month. Because when we support a locally owned business, you're doing more than purchasing a product or a service - you're helping the people around you. If you have a business that you'd like to share with thousands of people in and around your community, we'd love to talk with you!

WHAT IS KEEP IT LOCAL MAINE?

We are a multimedia advertising program that supports and grows local businesses. Our goal is to offer a high quality, memorable, beautiful, and economical way for people to promote their businesses. We utilize a combination of direct mail combined with digital reach through our website and social media outlets. Each of our magazines is distributed to 13,000 homes and businesses. We then post on Facebook and Twitter as well as our website where publications can be downloaded.
