Seniors are Choosing The Park Danforth

"My husband and I started looking for a senior living apartment when regular home maintenance was becoming more than either of us could handle. It was not an easy decision to leave our home of 38 years. But, since we moved to The Park Danforth, we have never looked back. We love the flexible meal plans and our beautiful apartment. The Park Danforth has a great reputation and now we understand why! I describe The Park Danforth as clean, comfortable and friendly.....but I should mention friendly first. Its like *Cheers* here....everyone knows your name!"
