"This place is a major step above going to big box stores. Not only are prices considerably less, but the customer service is insanely better. They even helped fill out rebate forms I didn't know I was entitled to. Highly recommend."

BARRY COLLINS

"I had used Appliance Warehouse 30 years ago when I built a house and had a great experience. Six months ago, we needed a new dishwasher and microwave. Again, a great experience. Ed, the installer for the microwave, was excellent.

I will never use anyone but Appliance Warehouse."

JULIE MORSE

"I've now bought a washer/dryer, dishwasher, and microwave from them over the past five years. Prompt service, very knowledgeable and the best prices in town. The guys who have delivered and installed everything have been great too."

*"We hired Gerrish Remodeling & Design to turn our basement into a family room/play room with lots of built-in storage. They did an amazing job. From the start Rick was responsive and easy to communicate with. Throughout the process he kept us informed, him and his team were efficient, clean, and respectful, and the work they did was outstanding. Rick even gave us some ideas throughout the build to improve the design, and they turned into some of our favorite features of the basement! Without hesitation we would hire these guys again. # Choose Your Tomorrow at The Park Danforth

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships, but we have met several new people here ... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."
