★★★★★

"This place is a major step above going to big box stores. Not only are prices considerably less, but the customer service is insanely better. They even helped fill out rebate forms I didn't know I was entitled to. Highly recommend."

BARRY COLLINS

When it comes to buying your next major appliance, there are a lot of choices out there, but there's only one that can match or beat any price (even from the big box stores) and is just a phone call away!

★★★★★

"I had used Appliance Warehouse 30 years ago when I built a house and had a great experience. Six months ago, we needed a new dishwasher and microwave. Again, a great experience. Ed, the installer for the microwave, was excellent. I will never use anyone but Appliance Warehouse."

★★★★★

"I've now bought a washer/dryer, dishwasher, and microwave from them over the past five years. Prompt service, very knowledgeable and the best prices in town. The guys who have delivered and installed everything have been great too."

PREMIER LIST READY SERVICE

*Preparing a home for sale can be overwhelming. Repairs, updates, clean-outs, and vendor coordination often delay listings or prevent sellers from moving forward altogether. **Premier** LIST READY SERVICE was created to remove those barriers by identifying the projects that matter, lining up the contractors, and we front the cost. It helps homeowners sell with confidence that they will receive the highest value for their home.*

Services Can Include

- Repairs and deferred maintenance
- Cosmetic updates & improvements
- Entire home clean-out
- Vendor coordination & project management

All work is thoughtfully selected to help your home show better, sell faster, and maximize value.

HOW DOES IT WORK?

- 1 Home Evaluation**
We walk through your home and identify strategic improvements that will make the biggest impact.
- 2 Customized Plan**
You receive a clear, prioritized plan outlining recommended work and estimated costs.
- 3 We Manage & Pay Vendors**
We coordinate vendors, manage the process, and cover the cost of improvements.
- 4 List & Sell**
Once the home is market-ready, we list it with a strong marketing strategy.
- 5 Reimbursed at Closing**
The cost of the work is reimbursed from the proceeds at the successful sale of the home.

"We hired M & Son to install a new roof and paint/replace some siding on our home last summer. We found the process to be very accommodating and prompt. The workers were phenomenal. They worked tirelessly with both projects and we have been very pleased with the finished products. I would highly recommend."

KENT V.

"M & Son Construction just completed reroofing our house. They were knowledgeable, efficient and reasonably priced. Their roofing crew did an excellent job including all roofing and cleanup in record time. Rich was a wonderful help from day 1 through the completion. Kudos to Carlos and his company for such an awesome experience doing a tough job in 30 degree weather. 100% will work with this company again if the need arises."

SPOTLIGHT ON

Commercial Fit-Out Services from Portland Builders

“Working with Portland Builders was one of the best decisions we made while bringing The Barkery Dog Bar to life. From day one, Jeremy and his team treated our project like it truly mattered. He was responsive and supportive, consistently going the extra mile to help us navigate the challenges of building a new concept. Their communication was excellent, and they always approached problems with a solutions-focused mindset, keeping the project moving forward.”

What stood out most was how invested they are in our success. They didn't just build our space; they guided us through the process and ensured every detail was handled with care, and even still check in on the business and buildout. Opening a business is overwhelming, but having Portland Builders in our corner made all the difference. We're incredibly grateful for our partnership and couldn't recommend them more highly.”

Choose Your Tomorrow at The Park Danforth

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships, but we have met several new people here ... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."
