Either way, it's a big step. All we do is cabinets so we're experts in bringing your vision to life.

WHAT OUR CUSTOMERS HAVE TO SAY...

"The team was fantastic to work with on our first home/kitchen build. Heartwood Kitchens was able to handle our concerns and several modifications to our forever home kitchen. Now that we have been in the home for a while it was well worth the planning to have a very workable kitchen." **JAMES N.**

"I recently did 2 kitchens with Heartwood and they both look amazing! The designs were perfect for the space. They were very professional and creative. I highly recommend them." **MARY G.**

"We did our kitchen ourselves and Heartwood was extremely helpful with everything from start to finish. Love our new kitchen." **DAVID R.**

"We hired Gerrish Remodeling & Design to turn our basement into a family room/play room with lots of built-in storage. They did an amazing job. From the start Rick was responsive and easy to communicate with. Throughout the process he kept us informed, him and his team were efficient, clean, and respectful, and the work they did was outstanding. Rick even gave us some ideas throughout the build to improve the design, and they turned into some of our favorite features of the basement! Without hesitation we would hire these guys again. What Our Clients Say...

"From the moment you walk through the door at Middle Path Health, you can feel the difference—it's warm and welcoming. I even joked that I wish I had more reasons to visit more frequently because the experience is so pleasant. Kathleen combines professionalism with humor and real compassion. She takes the time to listen and makes every appointment feel un-rushed and personal. It's rare to find a health care provider who balances these traits with such genuine warmth."

SPOTLIGHT ON

Commercial Fit-Out Services from Portland Builders

“Working with Portland Builders was one of the best decisions we made while bringing The Barkery Dog Bar to life. From day one, Jeremy and his team treated our project like it truly mattered. He was responsive and supportive, consistently going the extra mile to help us navigate the challenges of building a new concept. Their communication was excellent, and they always approached problems with a solutions-focused mindset, keeping the project moving forward.”

What stood out most was how invested they are in our success. They didn't just build our space; they guided us through the process and ensured every detail was handled with care, and even still check in on the business and buildout. Opening a business is overwhelming, but having Portland Builders in our corner made all the difference. We're incredibly grateful for our partnership and couldn't recommend them more highly.”
