PREMIER LIST READY SERVICE

*Preparing a home for sale can be overwhelming. Repairs, updates, clean-outs, and vendor coordination often delay listings or prevent sellers from moving forward altogether. **Premier** LIST READY SERVICE was created to remove those barriers by identifying the projects that matter, lining up the contractors, and we front the cost. It helps homeowners sell with confidence that they will receive the highest value for their home.*

Services Can Include

- Repairs and deferred maintenance
- Cosmetic updates & improvements
- Entire home clean-out
- Vendor coordination & project management

All work is thoughtfully selected to help your home show better, sell faster, and maximize value.

HOW DOES IT WORK?

- 1 Home Evaluation**
We walk through your home and identify strategic improvements that will make the biggest impact.
- 2 Customized Plan**
You receive a clear, prioritized plan outlining recommended work and estimated costs.
- 3 We Manage & Pay Vendors**
We coordinate vendors, manage the process, and cover the cost of improvements.
- 4 List & Sell**
Once the home is market-ready, we list it with a strong marketing strategy.
- 5 Reimbursed at Closing**
The cost of the work is reimbursed from the proceeds at the successful sale of the home.

Choose Your Tomorrow at The Park Danforth

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships, but we have met several new people here ... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."

High-End Custom Homes & Panelized Construction

Super Energy Efficient ♦ Kitchens & Bathrooms

Decks & Patios ♦ Roofing & Siding

35 Years Experience ♦ General Contractor

For over 35 years, Eric Hallee has worked in the residential construction industry along with providing high level General Contracting Services. He is well-known in the home-building, real estate, and banking communities for delivering high-quality results to homeowner clients.

"Having never been through the home building process before, we were nervous about what the experience would be like and with Eric, we truly enjoyed the entire process. Eric is a wonderful communicator; anytime we had questions, he would get back to us immediately and he kept us up to date on our project from start to finish. We appreciated his transparency with options and pricing and felt like all of the preferred vendors were so kind and accommodating to us. The crew were all so nice and skilled at their craft; we are still amazed by their craftsmanship; from framing to finish work, they truly did an incredible job. The entire process was fun, low stress and exciting and we have Eric to thank for that. Through the entire project, we felt cared for and if given the opportunity to work with Eric and his team again, we would do it in a heartbeat; they took our dream home from paper to final product and we couldn't be happier with the results."

Colleen Y. ★★★★★

"I highly recommend Eco-Pro Construction to anyone looking for high quality work, amazing customer service, and fair pricing. They were transparent with all aspects of the process for repairing our bathroom and installing new flooring. Eric was a pleasure to work with and made us feel that our issues were important even though our project was small in scope. We are incredibly satisfied with their work and will be going with them again in the future for other projects."

Proudly serving families in Yarmouth, Auburn, and surrounding communities

"I highly recommend Gregoire Orthodontics in Yarmouth! My daughter recently had a baby canine tooth extracted and will have her adult tooth brought down with braces. She's starting lacrosse and couldn't fit a traditional mouthguard in her mouth. Dr. Gregoire went out of his way after office hours to get her some that fit perfectly! She can make her games this coming Sunday without her mouthguard causing her pain. He truly cares about his patients!" - AMANDA C.

"M & Son did an incredible job on our 1880's house. They had to rip down a falling 100 year-old front porch and rebuilt it. They made the house feel modern and beautiful. They also redid our siding and our home now feels like a new house. M & Son were great to work with. They were commutative and most importantly—honest. And their crew is so friendly and hardworking." - CARA D.

"M & Son replaced our rubber roof and decking underneath and did a perfect job! They did high quality work and completed the job quickly. They communicated well throughout the entire process and cleaned up everything after they were done. We will definitely work with M & Son again in the future if we have any more construction needs." - DAVID W.
