Welcome

to a Better Primary Care Experience

We're here to support you on your healthcare journey and make it easy for you to access high quality primary care services.

At Middle Path Health we provide affordable, compassionate and accessible healthcare via direct pay membership. Founded by Kathleen McKeon Nurse Practitioner, we serve Southern Maine with in-office visits, telehealth, and house calls. With over 20 years of experience, she will help find the right care for you at the right time and in the right place!

What Our Clients Say...

"From the moment you walk through the door at Middle Path Health, you can feel the difference—it's warm and welcoming. I even joked that I wish I had more reasons to visit more frequently because the experience is so pleasant. Kathleen combines professionalism with humor and real compassion. She takes the time to listen and makes every appointment feel un-rushed and personal. It's rare to find a health care provider who balances these traits with such genuine warmth."

Renowned for our exceptional one-on-one customer communication and commitment to quick, on-time service, our locally owned and operated business is dedicated to transforming your living spaces into your dream home with unparalleled professionalism and attention to detail.

"We hired Gerrish Remodeling & Design to turn our basement into a family room/play room with lots of built-in storage. They did an amazing job. From the start Rick was responsive and easy to communicate with. Throughout the process he kept us informed, him and his team were efficient, clean, and respectful, and the work they did was outstanding. Rick even gave us some ideas throughout the build to improve the design, and they turned into some of our favorite features of the basement! Without hesitation we would hire these guys again. Thanks for a space we love that will grow with us as a family."

Choose Your Tomorrow at The Park Danforth

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships, but we have met several new people here ... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."

"Shawn was great, from coming out to giving us a quote and getting the job done timely. Stuck to original estimate and was very professional from start to finish. Will be definitely using Purvis for my next roofing project. Highly recommend giving them a chance!!!"
