"This company is magic. Do NOT hesitate to use them! They are the absolute epitome of fast, efficient and remarkable. I had a VERY big cleanup job. It was overwhelming. If I could have done it at all, it would have been literally weeks to months of my life. The guys came over with a plan and worked so fast I almost couldn't believe it. Decades of junk and debris literally weighing tons was gone in two days. Have a mess that needs to go? Call them. Don't even bother with other estimates. Promise you won't be dissatisfied.."

Gerrish Remodeling & Design, expertly led by Rick Gerrish, is a premier home improvement company based in Saco, Maine, serving all surrounding areas. With 15 years of industry experience, we specialize in basement remodeling, siding, and deck construction. Renowned for our exceptional one-on-one customer communication and commitment to quick, on-time service, our locally owned and operated business is dedicated to transforming your living spaces into your dream home with unparalleled professionalism and attention to detail.

"We hired Gerrish Remodeling & Design to turn our basement into a family room/play room with lots of built-in storage. They did an amazing job. From the start Rick was responsive and easy to communicate with. Throughout the process he kept us informed, him and his team were efficient, clean, and respectful, and the work they did was outstanding. Rick even gave us some ideas throughout the build to improve the design, and they turned into some of our favorite features of the basement! Without hesitation we would hire these guys again. Thanks for a space we love that will grow with us as a family."

Choose Your Tomorrow at The Park Danforth

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships, but we have met several new people here ... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."

When it comes to buying your next major appliance, there are a lot of choices out there, but there's only one that can match or beat any price (even from the big box stores) and is just a phone call away!

Stop in to see Tony or Cam to find the right deals, and then let Justin and Orion ensure your appliances are installed correctly and safely. With a 300,000 square foot central warehouse, \$600 million in buying power, availability of all major brands, and delivery options within a week or two on anything in stock, we know we're the right choice for you!

"I checked with two other local appliance dealers. I ended up buying a Speed Queen Washer/Dryer and an GE Gas Range here! Appliance warehouse had the best price and the most courteous Sales person/owner. A+ Number 1! You can't go wrong here. Better price than online even and I did all my research ahead of time! Local owner."

TAMMY BONNEAU

"I've now bought a washer/dryer, dishwasher, and microwave from them over the past five years. Prompt service, very knowledgeable and the best prices in town. The guys who have delivered and installed everything have been great too."

"M & Son did an incredible job on our 1880's house. They had to rip down a falling 100 year-old front porch and rebuilt it. They made the house feel modern and beautiful. They also redid our siding and our home now feels like a new house. M & Son were great to work with. They were commutative and most importantly—honest. And their crew is so friendly and hardworking." - CARA D.

"M & Son replaced our rubber roof and decking underneath and did a perfect job! They did high quality work and completed the job quickly. They communicated well throughout the entire process and cleaned up everything after they were done. We will definitely work with M & Son again in the future if we have any more construction needs." - DAVID W.
