A message from EWAN Board President, Jennifer Morrissey

Dear Friends,

The Elmhurst Walk-In Assistance Network (EWAN) first opened its door in 1997 – almost 25 years ago. In 2016, our current logo depicting a purple house, was created. Not long after, we painted the door to our site purple – partly to coordinate with the new logo and partly because it was an easy way to let our clients know where to find us. “Just look for the purple door” is a phrase used frequently at the site.

As we start EWAN’s 25th year of service, we are excited to introduce our “Purple House” campaign, a marketing campaign to raise awareness of EWAN in Elmhurst. Also, throughout the year, we plan to honor our 25th anniversary with several celebratory events. To start it all off, we are including an EWAN window cling with this report. We hope you will place it in your car, house, or business window to help spread awareness of EWAN and our mission of compassionate assistance to neighbors in need. See page 5 for details of our fun “March Gladness” giveaways for people putting their cling in action.

Thank you to all the people that keep the foundation of our purple house strong – our volunteers, our board of directors, our executive director, Jackie Crnkovich, and our donors and supporters. Without you, we would not have made it through the last 25 years, held our own during these last two challenging COVID years, or have a strong plan for the future!

Stay safe and healthy in 2022,

Jennifer Morrissey
President

## Behind the numbers:

2021 showed an easing from the numbers EWAN saw in 2020. Clients likely benefited from government aid that reduced some of the financial burden of the pandemic such as the increase in SNAP benefits, child tax credits, and free school lunches. Rent continued to be by far the biggest area of need. To further help those impacted by the pandemic, EWAN added funds for pandemic relief, which allows clients to seek additional help exceeding our guidelines with rent or utilities in situations created by COVID. Funds for other assistance categories like Students with Activity Needs or gas and shoe vouchers picked up as people returned to jobs and school. EWAN made a special effort to reach out to unaccompanied minors attending D205. The bulk of money earmarked for their needs went towards helping them get the vaccines required to stay in school.

**ASSISTANCE DOLLARS IN EWAN’S 25 YEAR HISTORY**

Board provides steady leadership through pandemic and steers EWAN to strong future

As evidenced in the above picture, 2021 saw the resumption of in-person meetings. While the board welcomed the opportunity to see one another in real life, its work never actually slowed down. Here are some of the objectives it completed:

- The Board’s newest committee, the Latinx Bridge Committee, focused on helping the unaccompanied minors enrolled in D205. These students are largely on their own, and are often working full-time jobs while attending school. One obstacle they faced this year was getting all their required immunizations. Without the immunizations, they cannot attend school. EWAN stepped in and paid for vaccines administered at a York High School event. Board member, Dr. Corinna Wojcik, went one step further and opened her office on a day off to see several students unable to attend that event.

- The Strategic Planning Committee reconvened to look at what’s next for EWAN. Plans are still in the development stage, but areas of focus include new programs to serve unmet client needs; a thorough examination of EWAN’s infrastructure, including technology needs; and a campaign to drive awareness of EWAN in the community to donors and clients alike. You can help here by proudly displaying the enclosed EWAN window cling! (see p. 5)

- Finance and Development continued to monitor EWAN’s finances to maintain a strong position and oversee fundraising efforts. The latter included the seventh annual ’Cue for a Cause which drew in the biggest crowd and brought in the most money yet.

- Few people find joy in examining by-laws, but every once in a while they demand attention. Jerry Ostermann and Jennifer Morrissey took on a thorough and much-needed revision of the by-laws, assuring that EWAN remains in ship-shape for the future. If that’s your thing, let us know, and we’d be happy to share EWAN’s latest version with you!

The 2022 board welcomes these new members:

**Kari Conkle** will be taking on the role of Director of Site Management. As such, she is rejoining the board where she previously served as Director of Volunteers and Training. Kari is well versed in all things EWAN. She has volunteered at the site since 2013 and has been a Lead for much of that time. She also currently runs the Dental Program, and has been a part of the ’Cue for a Cause Committee since its inception. Kari also literally wrote the book on all site procedures. In addition to volunteering at EWAN, Kari serves as a Daybreak Transitional Housing mentor.

**Mike Hauert** joins the board as director at large. A lifelong resident of Elmhurst, he currently owns his own law firm in town. Mike strongly believes in giving back and in the power of mentorship. He mentors young attorneys through the DuPage County Bar Association as well as Elmhurst University Students at the Center for Professional Excellence. He also works with business owners in underserved communities through NextLevel Exchange. In addition to EWAN’s board, Mike serves on boards for the Elmhurst Chamber of Commerce and Access Sports.

**Peter Sheehan** moved to Elmhurst in 2016 with his wife, Liz, and two young children. It didn’t take them long to discover EWAN and to throw a St. Patrick’s Day party for its benefit. Peter has a keen interest in raising EWAN’s profile among the younger families in Elmhurst and helping grow awareness of the more vulnerable in the community. He is Regional Sales Director for Informatica, a data management software company.

*And we say goodbye to one:*

**Scott LaMorte** completed his third term on the board, which, by our guidelines, sadly means we have to say goodbye. EWAN has benefitted from Scott’s broad experience in development and fundraising. He has been an outstanding board member. Thankfully, he has agreed to continue to serve on the Finance and Development Committee, so he’s not getting away entirely.

We were so happy to be able to bring back our cookie trays at the holidays. This long-standing tradition has EWAN taking home-baked cookies to our EWAN “Angels”—businesses and organizations that support our work in a special way.
Help raise awareness of EWAN with “March Gladness!”
Display your window cling for chances to win great prizes

As EWAN enters its 25th year of serving Elmhurst, we want everyone in town to know we’re here. You can help us celebrate our anniversary and spread the word about EWAN by participating in “March Gladness!”

Place your enclosed window cling in a car window, a window of your business, or anywhere else people will see it. Post a picture on FaceBook and tag EWAN @elmhurstwalkinassistancec network, or, if you aren’t on FaceBook, simply send the photo to contact@elmhurstwalkin.org along with your name and phone number.

Each Friday in March we will draw a winner from the names of people who have shown their cling in action! The earlier you send a photo, the more chances you’ll have to win one of these fantastic prizes donated by generous Elmhurst businesses:

3/4: Mehta Motors—a full service car wash valued at $30; plus 2 meal tickets to the Knights of Columbus Lenten Fish Fry, valued at $30
3/11: A New Image Beauty Salon—color, cut, and style valued at $120
3/18: Hand and Stone Massage—a one hour massage valued at $70.
3/25: The Uptown Shop—gift certificate for $50 with a box of Lanzi’s Cashew Nut & Rice Crunch candy, courtesy of board member and candy re-creator, Jerry Ostermann
4/1: GRAND PRIZE! Mata Ne New Asian—a wine tasting with hors d’oeuvres for 8 with advanced Certified Sommelier, Andrew Spence — valued at $1,700!

For best results when applying cling, use water with a drop of dish soap on inside of window. Smooth out with a credit card.

Words of thanks from a client:
…I wanted to let you know I met with the three most amazing ladies today.

Blessed with the opportunity to make it in to the church, I was handed a plethora of amazing information for resources and being approved for assistance.

I can’t say enough how grateful I am for being led to you all. I’ve been praying so hard for anything to happen and today was that day.

There really are not words. As I heard the words, “yes we can help you” if I was standing I would have fallen to my knees. I just broke down in tears for how much this means for my kids and me.

I just want to thank you for taking the time to reach out to my inquiry, and guiding me through the process and having such amazing people to help those in need.

I could sit here and tell everyone all day how grateful I am, for all that you’re doing and all that you’re helping.
EWAN benefited from business donations, matching gifts, gifts in kind, grants, and contributions from local service groups. Thank you to each of the following:

- Messiah Lutheran
- Redeemer Evangelical Lutheran
- St. Peter’s United Church of Christ
- Visitation
- Yorkfield Presbyterian

Local realtors came out to celebrate the holidays and support EWAN. The event, “Networking for a Cause” was put on by Carrie Stone of United Home Loans, Kathy Hill of Chicago Homeland Staging, and Lynn Hill of Achosa Home Warranty. The three hostesses, along with Executive Director Jackie Crnkovich, made use of the festive selfie station at the event.

In December, the Elmhurst Lions Club presented EWAN with a generous check from their annual fundraising efforts.

The postponed Annual Meeting is rescheduled for February 23 at 12:00-1:30 at St. Peter’s. This year’s guest speakers will be April Redzic and Vickie Tabbert of DuPage PADS. They will discuss the effect of the pandemic on homelessness in DuPage. April and Vickie will illuminate the full impact of EWAN’s rental assistance, which often protects people from eviction and homelessness.

If you did not receive an evite but would like to attend, just call the office at 630-782-6006 to let us know you’re coming. Numbers are limited.

Stars aligned for a successful and fun return of the ‘Cue for a Cause

After months of virtual socializing, Elmhurst was apparently eager to get out and have some in-person fun. This year drew the ‘Cue’s biggest crowds and raised the most money yet—just under $50,000. The weather was picture-perfect and provided a wonderful backdrop for all the day’s fun: live music, games, food and drink, and, of course, the all important barbecue competition. This year also saw the addition of a baking contest, which will be sure to make a comeback next year.

After assisting clients remotely for over a year, EWAN reopened its doors in May for in-person service. This photo was taken the day the office opened. While volunteers were grateful for the technology that enabled them to help people throughout the pandemic, they found there is no substitution for sitting face-to-face with a client to better meet their needs.
