We serve Elmhurst residents, families with children in Elmhurst schools, or registered members of Elmhurst churches.

Caring for the community is what we do.

Our Mission

The caring people of Elmhurst unite to provide compassionate assistance to people in need in our community.

Since 1997, the Elmhurst Walk-In Assistance Network (EWAN) has provided compassionate assistance to individuals or families in the Elmhurst community going through a difficult time. People experiencing a job loss, a cutback in hours, divorce, death in the family, or other unforeseen circumstance may be left unable to pay some bills. EWAN is a place they can turn to for help while they get back on their feet.
