

# LIQUID LAWN FOOD PLUS IRON FOR GREENING

6% Iron for Deep Greening

## DESCRIPTION:

**GREENPEAK™ LIQUID FERTILIZER + 6% IRON** ready-to-use hose-end sprayer offers numerous benefits for you and your lawn. It provides a convenient and efficient method of fertilizing and greening your lawn by easily attaching to a garden hose, which eliminates the need for lifting heavy bags or additional equipment. GreenPeak™ Liquid Fertilizer + 6% Iron ensures an even and consistent application of ingredients which reaches both foliage and soil, enhancing nutrient absorption. Additionally, it saves time and reduces effort, allowing you to feed and water your lawn at once! It's ease of use and effectiveness make GreenPeak™ Liquid Fertilizer + 6% Iron a great choice for easily maintaining a vibrant and thriving green space.

## BENEFITS:

- For a lush and vibrant lawn
- Enriched with 6% iron for quick, deep greening
- Fertilize and water in one application

## WHEN TO APPLY:

- Anytime when grass is actively growing
