

ALL-PURPOSE FERTILIZER

16-16-16

For Use on Flower and Vegetable Gardens, Shrubs and Trees

DESCRIPTION:

GREENPEAK™ ALL-PURPOSE FERTILIZER 16-16-16 provides a balanced mix of essential nutrients, including nitrogen, phosphorus, and potassium, to ensure that plants receive comprehensive nutrition for robust growth. This all-purpose fertilizer provides versatility and can be used across a wide range of plants, from flowers and vegetables to trees and shrubs. The convenience of having all necessary nutrients in a single product not only saves time but also reduces the need for multiple specialized fertilizers, making it easy to grow an abundant and vibrant garden. By promoting overall plant health, applying GreenPeak All-Purpose 16-16-16 Fertilizer will lead to stronger root systems, produce fuller foliage, strengthen resistance to diseases and pests, ultimately leading to healthier and better performing gardens and plants.

BENEFITS:

- Complete, all-purpose, balanced fertilizer for your plants
- Ideal for use on flower and vegetable gardens, shrubs and trees

WHEN TO APPLY:

- Anytime at seeding or when plants are actively growing
